THE MINISTRY OF BEING PRESENT

## A NOTE ABOUT FINANCIAL REPORTS

The Annual General Meeting of Inter-Varsity Christian Fellowship's Board and Corporation will be held on February 5, 2015. At that time, the Financial Statements for the Fiscal Year 2013-14 will be approved and made available publicly. Previously, the Financial Statements were approved in November, coinciding with the publication of our Annual Ministry Report. With the change in the Annual Meeting date, we have chosen to issue two reports, an Annual Ministry Report now, and an online Annual Financial Report in February.

## HOW DOES AN AVERAGE KID SPEND HIS or HER TIME EACH WEEK?

# DEAR MINISTRY PARTNERS,

Frequently, we think of intersections as fleeting, as places to pass through on the way to our actual destination. But what if we thought differently? What if intersections were a place for stopping; for taking the measure of our surroundings; for responding to what we observe?

In Inter-Varsity, our prayerful intention is to foster life-changing connections as we intersect with Canadian youth. It is happening!

This year's Annual Ministry Report tells the story of thousands of intersections between people, resulting in scores of profound interactions with God.

In this printed report, we're telling the stories through images and numbers. We want you to know about the 589 young adults who spent a week after exams immersing themselves in Scripture. Praise God for the 799 campers who made a first-time decision to follow Jesus.

In our Online Ministry Report ([www.ivcf.ca/annualreport](http://www.ivcf.ca/annualreport)), we're telling stories in more detail. Find out how Christian students at McGill University are changing the culture of their campus. Meet a mom who was moved to tears as she watched her often isolated son greeted by name as he arrived at camp.

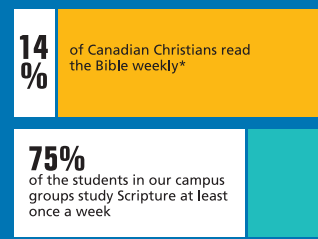

Thank you for being in these intersections with us. Your prayers and financial gifts encourage and equip our ministry and we are grateful.

**In partnership,**

  
Geri Rodman, President
