

## **One Thing They Didn't See**

**Joshua Kim**

Women weeping on the street,  
Her clothes are torn and bare feet

Eyes turned waterfally,  
“Please have mercy!”

Men who pass by,  
They scoff, “It’s all lie!”

Someone come to her, lift her like a tall giraffe,  
She followed him without any arrogance or scoff

He lightened His magic world of courage,  
“Women do not fear!  
I have words for people that I love,  
And I will use you in order for others to hear!”

She followed, daughter of Holy Father,  
Tears become fountain, free and jolly like no other!

There is one thing they didn't see,  
Jesus uses even the low as he always be!
